The logo for St. GEORGE is centered in the middle section. It features the word "St." in a smaller, italicized font followed by "GEORGE" in a large, bold, sans-serif font. The letters are orange with a yellow-to-orange gradient and a dark purple outline. The text is set against a black background that is part of a larger graphic element resembling a stylized, metallic letter 'G' or a similar shape. The entire graphic is set against a background of a brown, diamond-plate metal texture.

MIDLAND ASPHALT MATERIALS INC.

Your Chautauqua County Representative:

JONATHAN EMMICK

716.474.2617

jemmick@midlandasphalt.com

As a leading company in road resurfacing technology as well as pavement preservation, Midland offers an extensive range of products and services. We have introduced many innovative products and processes to the market including FiberMat®.

Midland is deeply committed to quality, service, dependability, and customer satisfaction. We hold AMRL Accreditations in Emulsified Asphalt for asphalt emulsion and AC testing and sampling procedures. Investment in research and development has helped us to introduce cleaner, safer, and more efficient methods and effective products.

I AM THANKFUL FOR

The men and women who are up at the crack of dawn keeping us safe on the road. From plowing snow to trimming trees, you keep us moving from work to home, and we don't say this enough, but thank you for all that you do!

HIGHWAY SCHOOL 2023

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on its right side, suggesting it's resting on a surface.
